

THERE IS A VAST ARMY

of men and women who really never know what it is to enjoy sound, vibrant health—who would be surprised to suddenly gain that exhilarating vitality that robust health brings.

Literally thousands without any particular sickness live in "general debility," as the doctors call it—have headaches, are tired and indifferent. To all such people we say with unmistakable earnestness—"Take Scott's Emulsion after meals for one month and allow its rare oil-food to enrich and enliven your blood, quicken your circulation, stimulate nutrition, and aid nature to develop that real red-blooded life that means activity, enjoyment, success."

Scott's Emulsion is not a drug, but a pleasant food- tonic—free from alcohol. One bottle may help you.

Good News

Grape-Nuts

This famous pure food makes up for a frequent lack of certain nourishing elements in the daily diet which makes for mental and physical development.

These elements—the vital mineral phosphates—are found in abundance in the whole wheat and malted barley flours, from which Grape-Nuts is made. All the food values of these grains are retained in splendid proportions in this food.

Grape-Nuts comes from the wax-sealed packet—crisp, delicious, ready to eat, and remarkably easy of digestion.

ACUTE SHORTAGE MEDICAL CORPS OFFICERS HERE

Ten Sailing Today on Sherman
Makes 14 M. D.s Ordered
Away Since June 1

Because the War Department has in the last 60 days ordered 14 officers of the Hawaiian Department Medical Corps to the mainland and Manila, out of a total of 35 officers here prior to June 1, the Medical Corps here is working short-handed, and with a considerable handicap, it was learned today.

This afternoon 10 Medical Corps officers from Oahu are sailing on the U. S. Army transport Sherman, making a total of 12 army medical officers who have gone under orders to the mainland from Honolulu since the first of June. One was also ordered to the Philippines and left last month.

This depletion of the Hawaiian Department's medical staff is overworking the remaining officers so that most of them are now each doing the work previously taken by three men. According to Col. Rudolph G. Ebert, Hawaiian Department surgeon, no relief except perhaps one man, Col. W. B. Bannister, is in sight at the present time to take the place of the 14 officers ordered away. Of the 10 officers leaving this afternoon two were ordered to the mainland some time ago, and the remaining eight by cable a few weeks ago. The latter are under orders to report by telegraph on arrival at the mainland to Maj. Gen. Frederick E. Bennett, commanding the Southern Department, at San Antonio, Texas. They will be put to work among the regulars and militia men on the border, taking care of sanitation and working to reduce sickness among the troops, of which a great deal has recently been reported.

Hawaiian Department Medical Corps officers leaving this afternoon include Capt. A. P. Clark, Lieut. Col. F. P. Reynolds, who was to have exchanged places with Col. W. B. Bannister, Central Department, Chicago, but has been ordered instead to the base hospital at San Antonio; Maj. G. McD. Van Poole, Maj. M. A. Delaney, Capt. P. H. Foucar, J. D. Whitman, J. P. Johnston, S. S. Creighton, R. W. French and N. N. Wood.

In consequence of the shortage of medical officers here, Maj. C. A. Raglan, attending surgeon of the Hawaiian Department, is doing three men's work. He issued notices August 1 that he will be at the dispensary, Fort De Russel, from 9:45 to 10:15 a. m., daily; at his office at department headquarters, from 10:30 a. m. until noon; and at the Fort Armstrong dispensary from 12:10 to 12:30 p. m. At all other hours he will be at Fort Ruger, 1st Lieut. Robert H. Duennner took care of Fort Ruger prior to the present shortage, and Maj. Van Poole department headquarters.

JAPANESE ORGANIZE CHAMBER OF COMMERCE AT MEETING THURSDAY

Members of the Japanese Merchants' Association held a reorganization meeting yesterday afternoon, and as a result changed the name of the association to the Japanese Chamber of Commerce. The meeting was held on the second floor of the Yokohama Specie Bank building.

Rules and regulations were revised at the meeting, and the new name, which was suggested by Consul-General Moroi, was favorably voted upon. Officers of the new chamber are: Mr. Kawahara, president; Y. Takakura, vice-president; K. Yamamoto, secretary; T. Oda, treasurer; T. Iwaguchi, auditor; D. Yonekura, S. Oaki and T. Sumida, directors.

At the present time he is connected with the immigration service in Hawaii. The new class will take up beginners' Japanese and will meet two times weekly, Monday and Thursday evenings.

UNCOUTH WIGGLE MISCALLED HULA IS MADE AN ISSUE

Hawaii Promotion Committee
Lodges Protest With San
Diego Exposition

Lodging a protest with the San Diego exposition against a disgusting hula dance which is declared to misrepresent Hawaii grossly, the Hawaii Promotion Committee signifies that it is prepared to object to distortions of the hula wherever it learns such distortions are practiced.

Secretary A. P. Taylor today sent the following letter to H. J. Penfold, secretary of the San Diego exposition: "I believe you will agree with me that it is fit and proper for me to call attention to a complaint made by one of our Oahuans who recently returned from the mainland, including a visit to the San Diego exposition, concerning a Hawaiian entertainment on the 'Isthmus'."

"At the Rotary Club meeting yesterday Mr. S. M. Lowrey of the firm of Lowrey & Cooke, in referring to a recent mainland trip, said that something should again be done by island organizations toward stopping so-called hula dancing on the mainland which gave a very bad impression of our island life. Mr. Lowrey stated that he visited this hula dancing place and was absolutely and thoroughly disgusted with the exhibition, stating that it was not a hula at all, but more of a boogie cooch of Chicago fair midway fame. He stated that perhaps his auditors would agree with him when he said that the hula, when properly danced, interpreted old-time legends and performed in similitude on religious rites, was something which had even esthetic value."

"But, he said, the exhibit on the 'Isthmus' was a disgrace and a blot upon the fair name of our territory, and he asked the Rotary Club to take some action with other organizations which would tend to eliminate this feature from the San Diego exposition. Eliminated at 'Zona'."

"A year ago my attention was called to a similar disgraceful exhibit of the so-called hula dance on the zone of the San Francisco exposition. I immediately took up the matter with the San Francisco fair officials and asked that they officially discontinue and also eliminate this feature from their zone entertainments, and it was done. The manager of the show wrote to me saying that his show was all right and that many people had said they enjoyed it, but our island people thought otherwise, and I also personally thought otherwise, because, while I was agent for the Promotion Committee on the coast, I had occasion to interfere with certain so-called vaudeville acts in which the dancing was also a disgrace."

"At the present time we have only heard from Mr. Lowrey but presume if I interviewed other people who have attended your exposition, the story would be the same. In San Francisco they had two or three Hawaiian dances, but the majority were white women, I presume, from South Clark street. I am told that there are some Hawaiian people in the San Diego exposition and that at one time they were associated with the San Francisco hula exhibit. If they are the ones, they know my sentiments very thoroughly and I believe of this territory."

Hawaii Day Coming.

"We are looking forward to a celebration of Balboa Day and Hawaii Day in November, but I certainly would not care to continue any efforts for the proposed celebration of these days if this so-called hula exhibit is brought into prominence on Hawaii Day and Balboa Day and regarded as part of Hawaii would be something which we could not very well stomach."

"I am starting a private investigation of this matter and expect to have Mr. Lowrey's report verified in every particular."

"We know that it is a delicate matter for you people to handle, but I believe you can see our standpoint very readily."
